the good you've done

Summer Recap
2023

2023 has been an amazing year so far. And you've been there every step of the way!

Because of you, we were able to move into our brand new beautiful 8,000 square foot facility at the end of last year. And we're all settled in. Thanks to your kindness, we're able to support so many more children and families!

Our caring and generous community once again made the annual Gala a tremendous success. So many children will benefit because of the compassion of people like you!

In June, there were 144 kids and caregivers who participated in day camps and family camp. They spent time with other families that shared similar experiences.

The kids challenged themselves and learned trust on the ropes course. They learned to express emotions through art and music therapy. And in yoga, they learned to relax and listen to their bodies.

And maybe most importantly, they were in a safe space where they could just be kids.

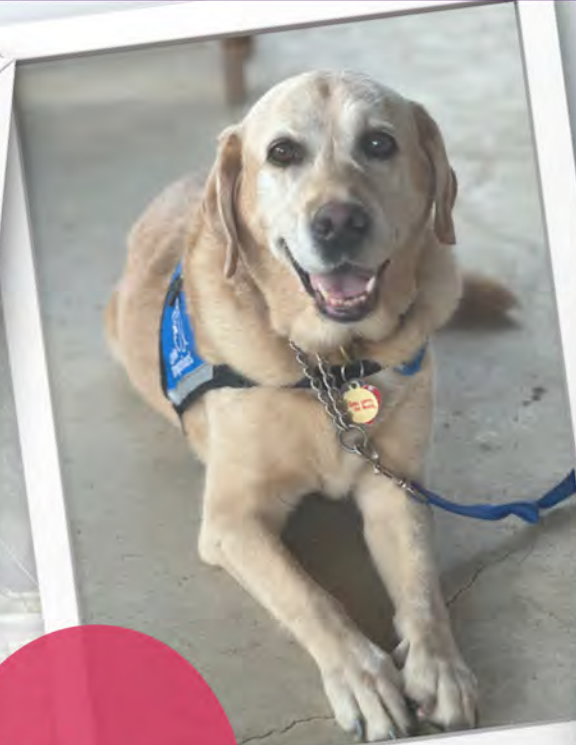

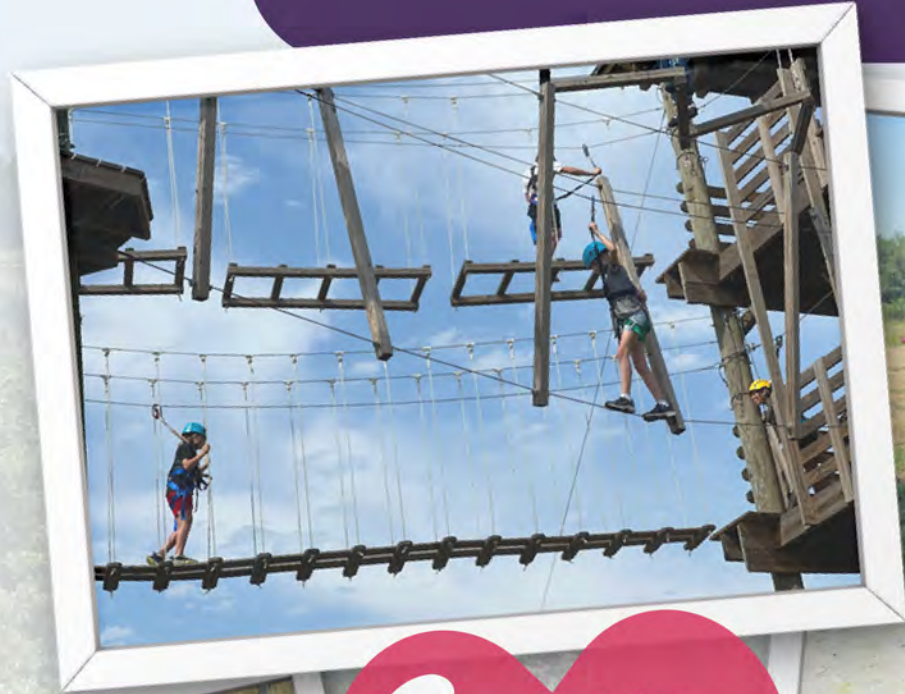

A big THANK YOU to the 41 camp volunteers!

All of this is made possible by amazing people like you. We're so very thankful to have you as part of our family!

**These smiles are what it's
all about. Thank you for
making so many possible!**

Joyful laughter and renewed hope sparkle, all thanks to YOU.
Camp Phoenix 2023 was a success!

"First time at camp, she enjoyed meeting other kids with the same issue. She really wants to come back."

"I gave y'all an angry 15-year-old and he came home happy."

"My son had a blast! I loved that this was a safe place he could go and just be a kid again."

One of the invaluable experiences you make possible for kids working through trauma is Camp Phoenix. It's so important for children to be able to connect and know they're not alone. For some, it's the first time they've been able to spend time with other kids who have similar experiences.

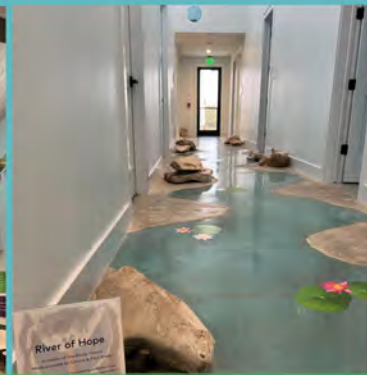

Camp Phoenix provides an opportunity for kids to experience healing, to freely express themselves, and to gain self-confidence. Taking place at the beautiful Phoenix Center Ranch, kids can take advantage of all the healing benefits of the great outdoors. It's all thanks to your care and compassion. THANK YOU!

Our beautiful new 8,000 square foot, state-of-the-art counseling center on 77 acres was years in the making. Because of you, we moved into the new building debt free. Thank you!

You helped create a haven of hope and love. Because of your unwavering generosity, our new facility shines bright, lighting the way for children to find safety, hope, and healing.

Kids are welcomed by a beautiful, custom-made stained glass door and a treehouse with butterflies hanging overhead.

The River of Hope guides kids down the hallway to their therapy. Each rock was hand-picked from the property.
